manadena

Furnished Kitchen

A luxurious and high-end brand, distinguished by its unique design. It offers an extensive range of details for personalized customization while maintaining a commitment to established standards and concept-driven design lines. Capable of executing large-scale projects, the brand adheres to industry principles and technological advancements in production, complemented by artisanal craftsmanship.

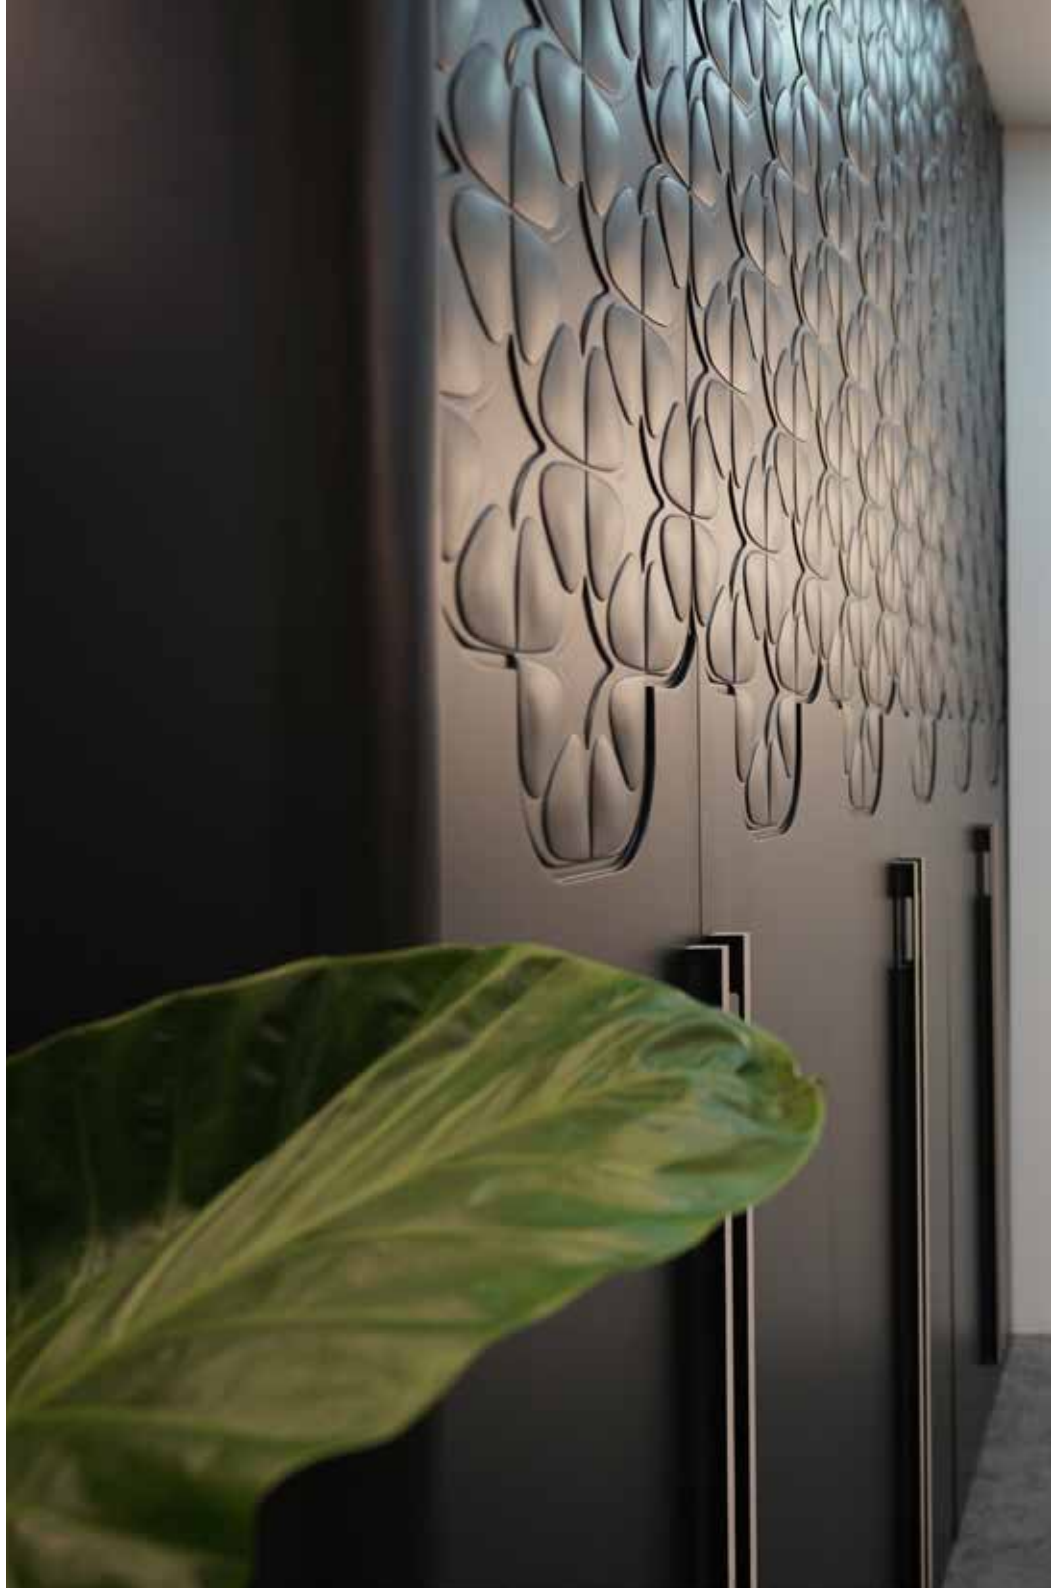

“

In today's modern world, beauty, comfort, and functionality are the three key elements in designing spaces that reflect the grandeur and magnificence of contemporary times.

madison

Since 2019, **Manadena**, as a designer and manufacturer of luxury-grade cabinets and closets, has demonstrated its commitment to creating unparalleled and unique works.

By leveraging the art and creativity of renowned designers, Manadena seamlessly integrates beauty and functionality into each of its products.

Every project at **Manadena** is considered a masterpiece, designed and executed with the highest precision and elegance

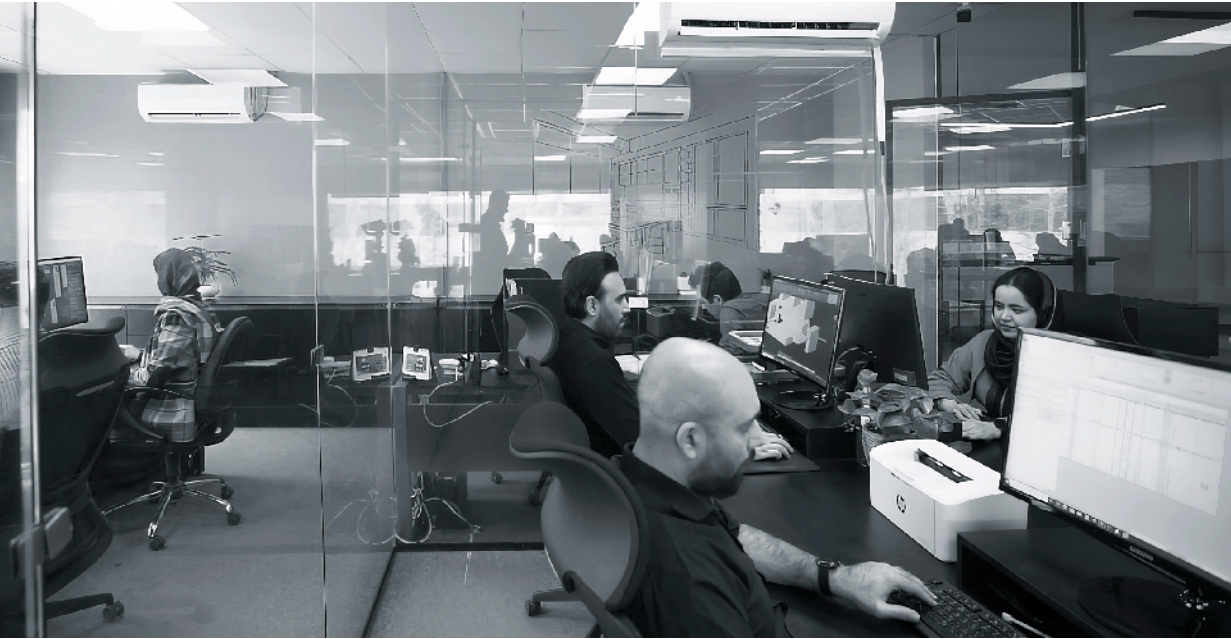

Every project at **Manadena** is considered a masterpiece, designed and executed with the highest precision and elegance

Beyond meeting consumer needs, **Manadena** offers something beyond their expectations, symbolizing unparalleled quality, luxury, and excellence in the interior decoration industry.

Our constant aim is to create unique and exceptional spaces for our clients. In a fully industrialized factory with advanced production lines and a team of experienced and creative specialists, **Manadena** has endeavored to bring the latest technology into this industry. The result of these efforts is the delivery of products that comfortably compete with renowned global brands such as Boffi, Valcucine, and Poggenpohle.

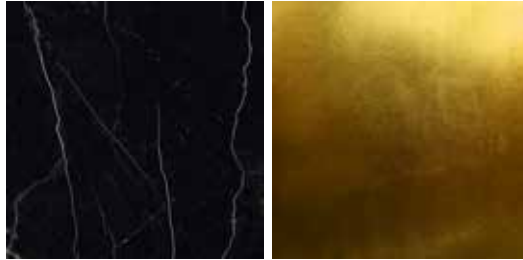

Design Lines

Forma

"Forma" in Italian means shape and form. Due to the fact that the characteristic of this design is form and shape the word Forma is used as the name of this design.

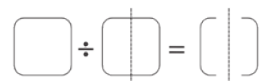

Triade: Bracket with pin is a valid complement to the concealed shelf support Triade. Ideal to improve the shelf support capacity loading by evenly distributing the shelf load on the wall.

Side Thickness 22 mm	Door Thickness 22 mm	10 cm Adjustable Leg	65 cm	65 cm	40 cm
-----------------------------------	-----------------------------------	--------------------------------------	-----------------	-----------------	-----------------

Form is the language of design.

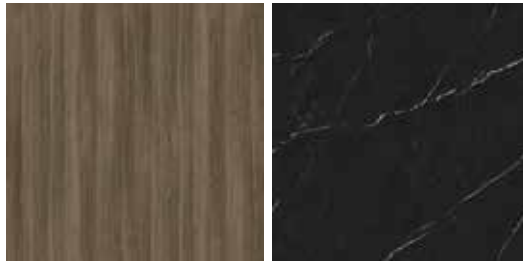

Alan Fletcher

Mero

"Mero" in the Italian language means simple economical and unadorned. Considering that the character of this design is simple and minimalistic, the word Mero has been used as the name of this design.

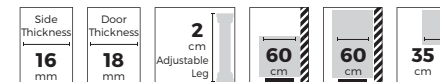

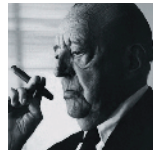

Air Hinge: A masterpiece of compactness in design, imperceptible and unseen just **like air:** Air is the new fusion of technology and aesthetics.

Air can be equipped with holders for the hinge cup and arm. The holders make the insertion of the hinge easier as well as hiding any surface imperfections caused by the machining of the cabinet.

Legrabox blum drawer: Full load bearing capacity legrabox performs outstandingly even when fully extended and heavily laden. Even very wide and heavy pull-outs have a smooth-running action thanks to high dynamic carrying capacities of 40 and 70 kg.

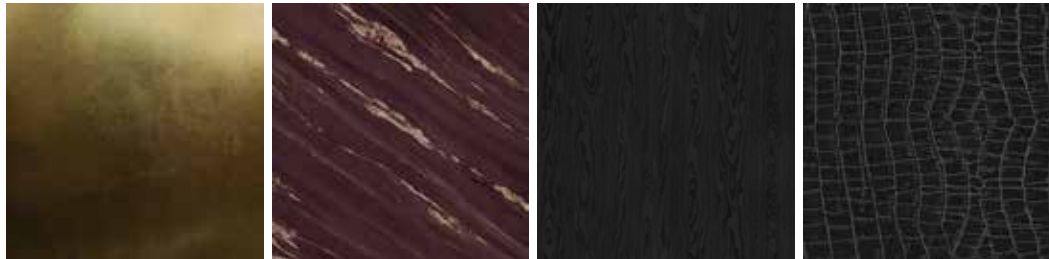

Less is more.

Ludwig Mies van der Rohe

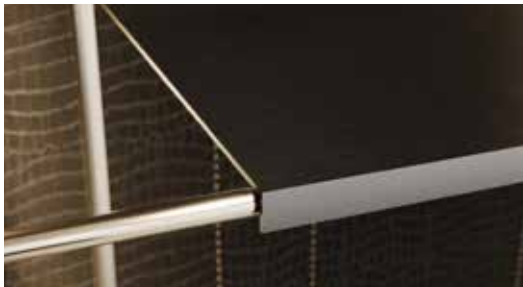

Mista

"Mista" means combination in Italian. Due to the fact that modern and neoclassical styles are well combined in this design the word Mista is used as the name of this design.

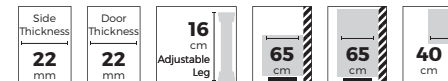

HKi: Due to its compact and narrow design, AVENTOS HKi can be fully integrated into the cabinet side. The stay lift fitting blends seamlessly into the furniture and enables new design possibilities with high aesthetic quality. You receive pure furniture with complete design freedom.

Legrabox blum drawer: Full load bearing capacity legrabox performs outstandingly even when fully extended and heavily laden. Even very wide and heavy pull-outs have a smooth-running action thanks to high dynamic carrying capacities of 40 and 70 kg.

Pocket door system: The new product category called pocket systems opens up completely new opportunities for creating multifunctional space. The unique pocket door system with fully integrated technology, allows you to open up complete living areas when you need them and conceal them again when they are not in use. No matter whether single or double door application, the full overlay fronts disappear into a dedicated narrow cabinet, the pocket.

“

Modernity is not a fashion, it is a state. It is necessary to understand history, and he who understands it, sees the future.

Le Corbusier

This book also encompasses guidelines on information technology, research and development, artificial intelligence utilization, finance, warehousing, internal management, human resources, marketing, equipment maintenance, and ISO standards.

Ultimately, **Manadena** is defined by two core values: First, unique designs, tailored customization, and a vast array of intricate details, all achieved with unwavering commitment to principles and standards.

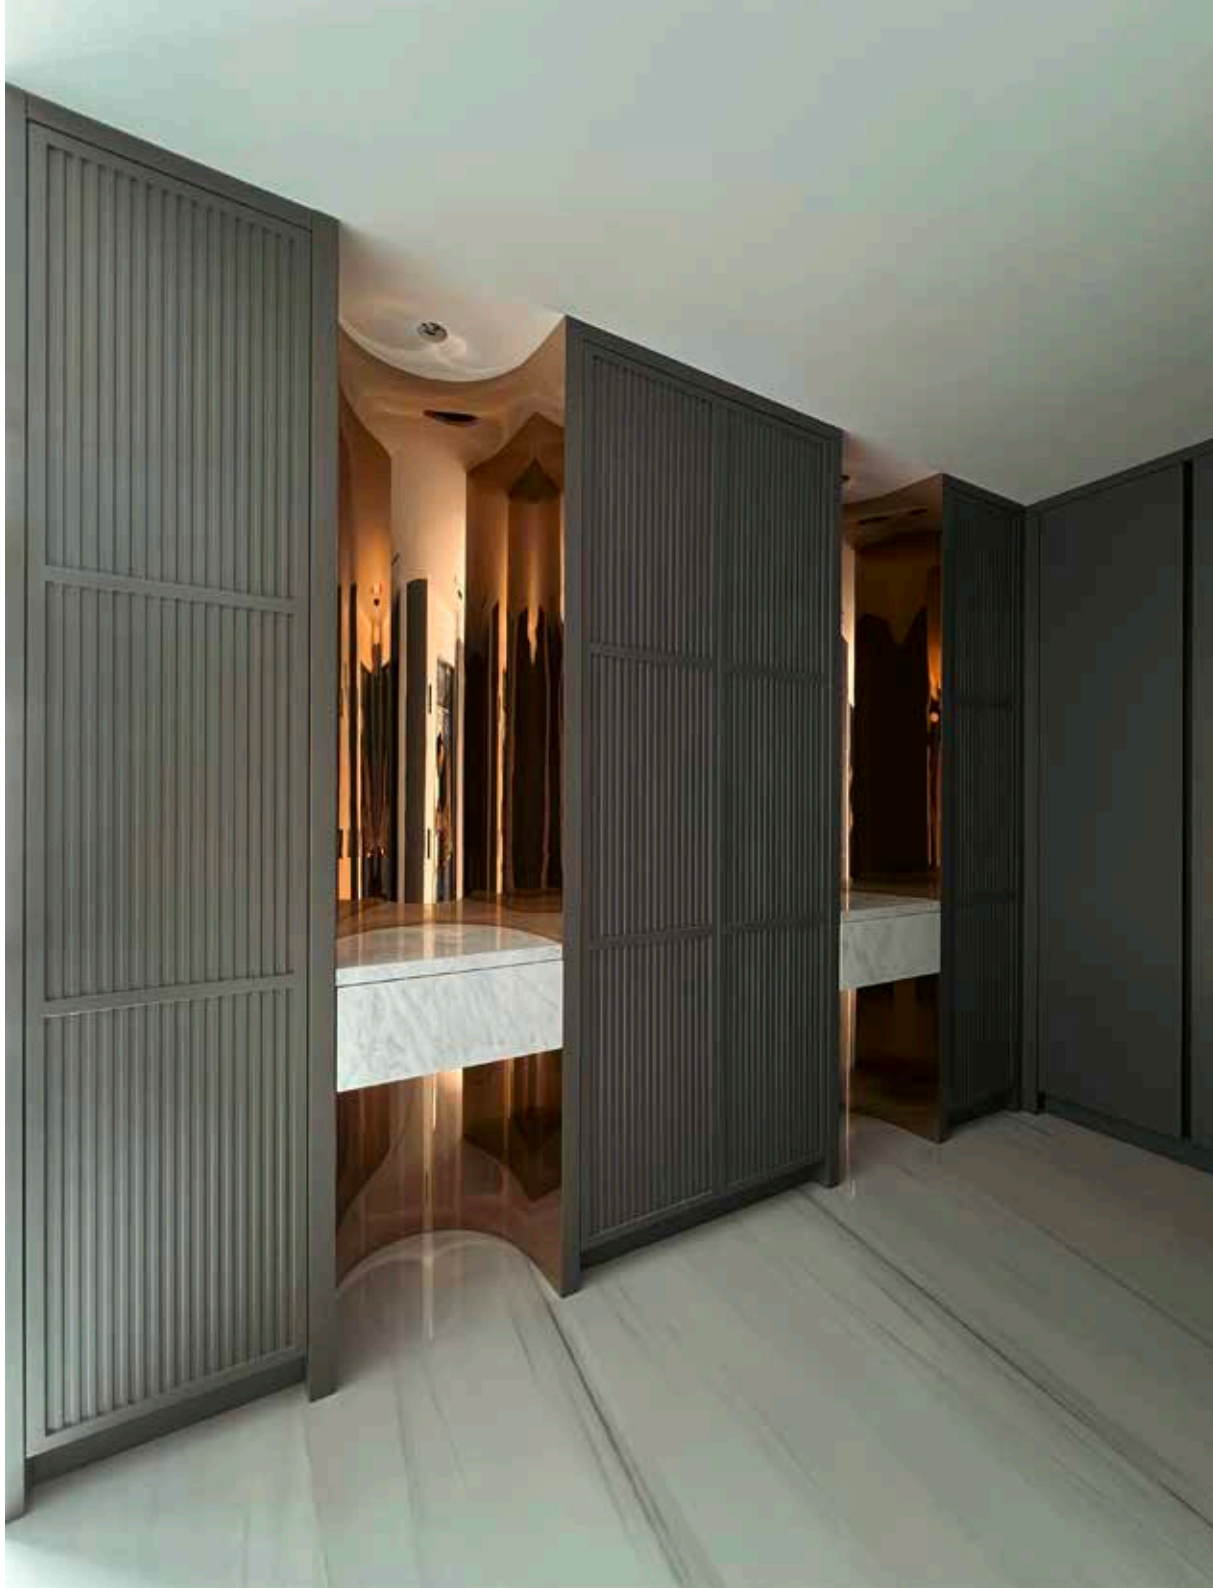

Second, the harmonious blend of handcrafted artistry within advanced industrial processes.

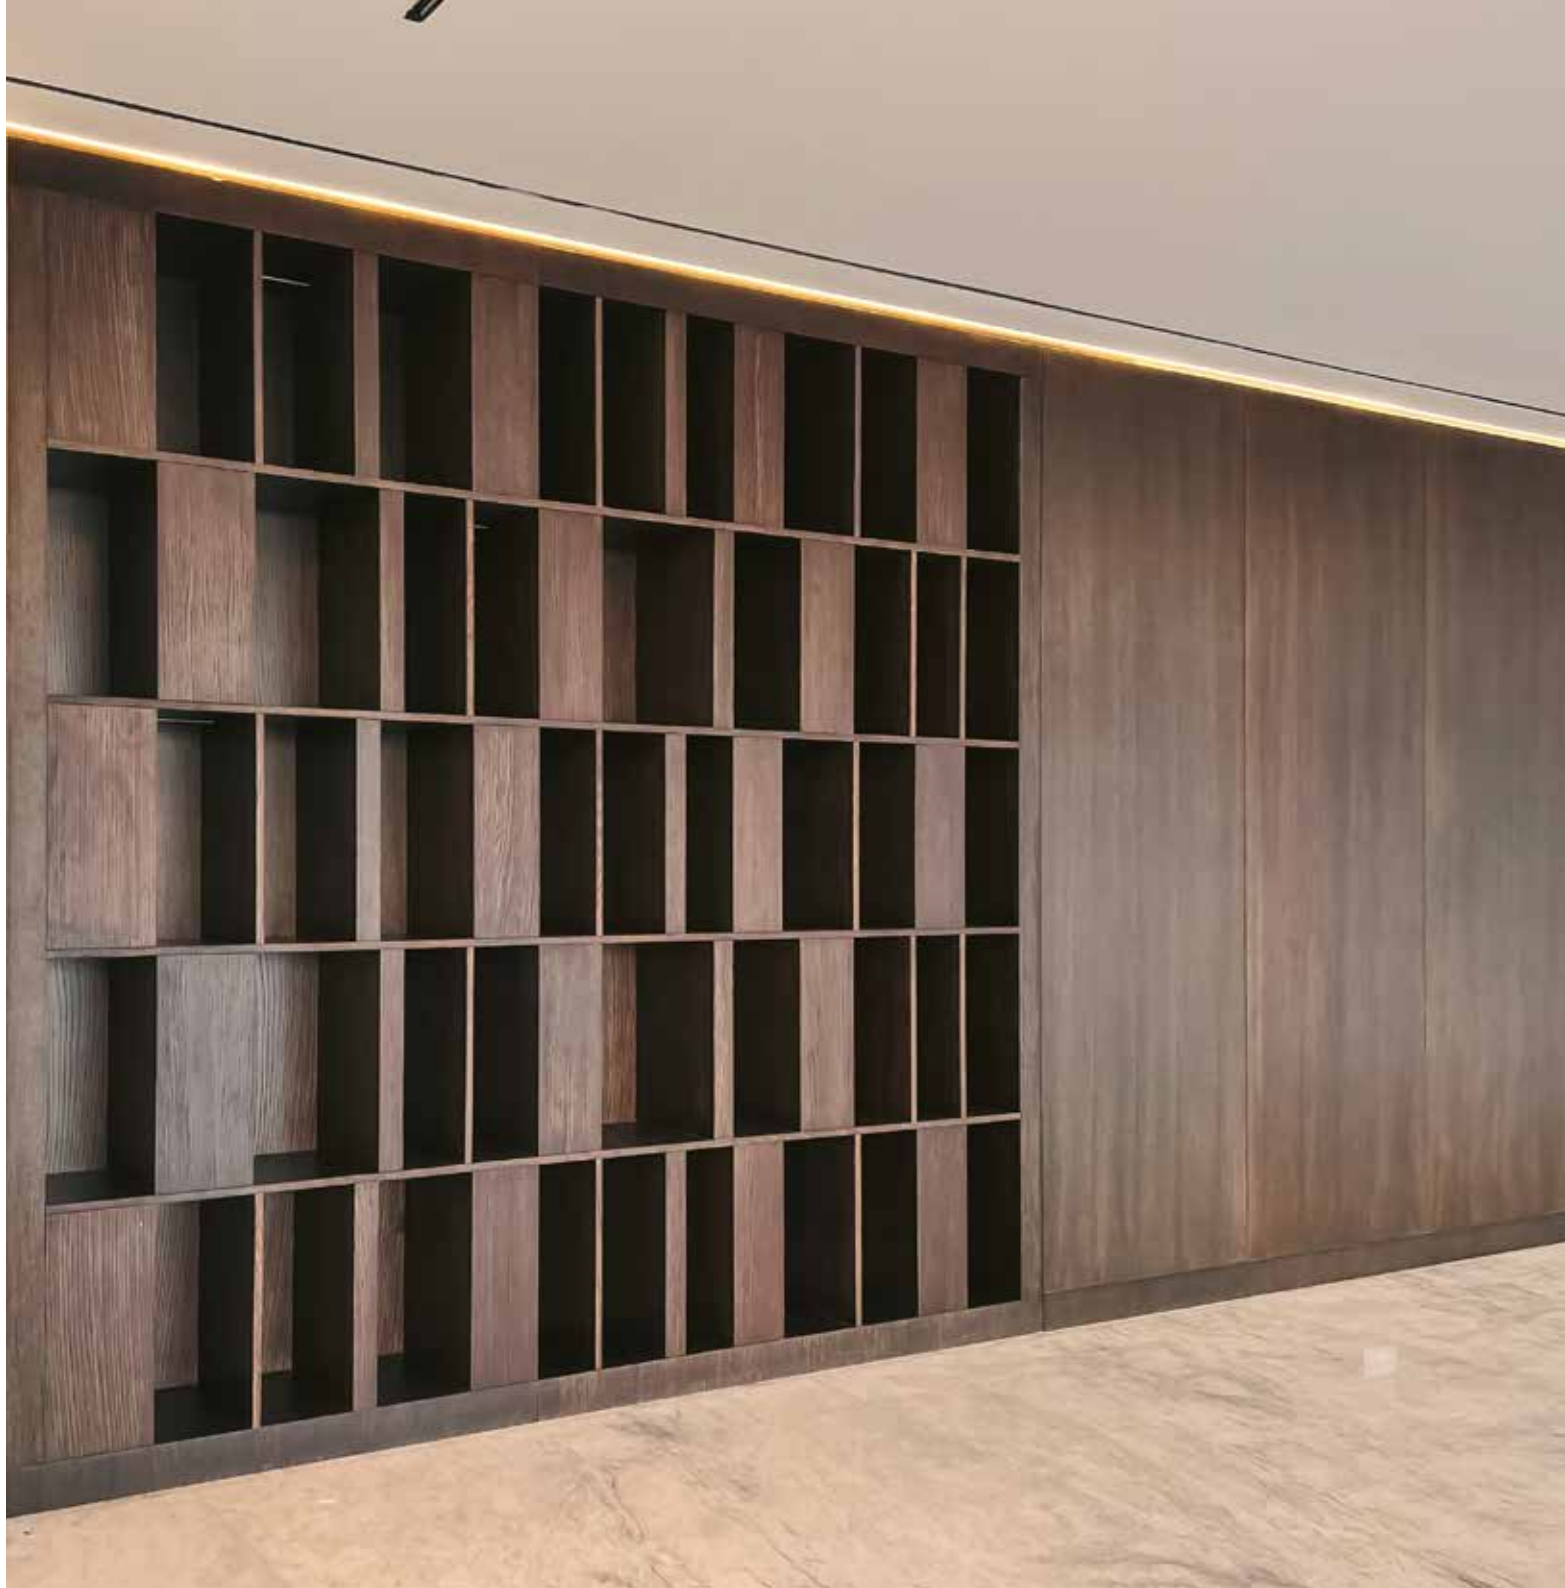

Manadana wooden parquette is characterized by natural texture and restrained elegance. Its presence adds warmth and continuity, allowing the material itself to shape the atmosphere without excess or ornament.

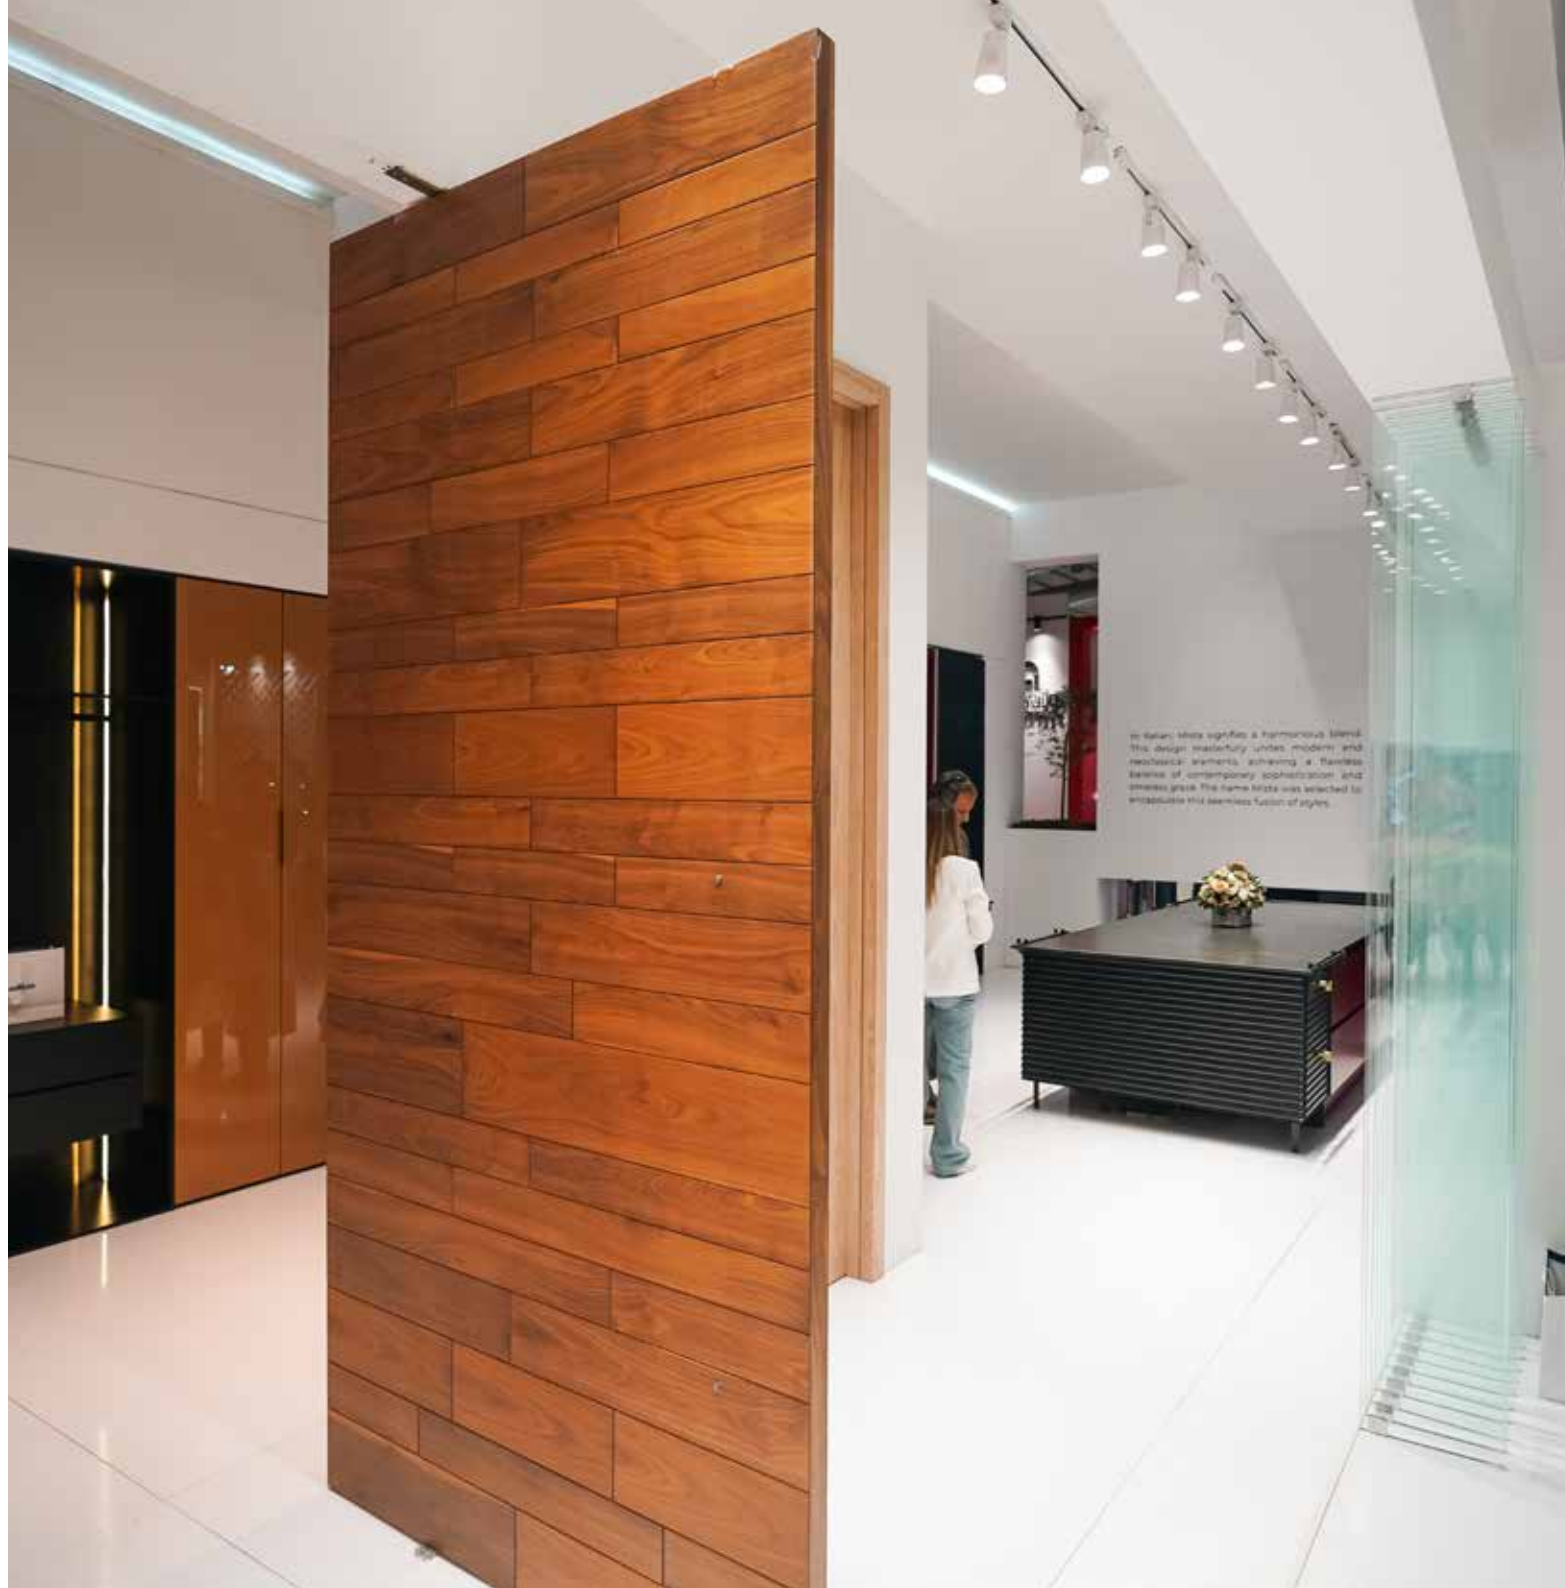

parquette

Manadena interior doors are defined by clarity of form and precision in detail. Designed to integrate seamlessly within the architectural language of a space, they emphasize proportion, material, and quiet functionality.
